

# Welcome to the hotel Birkenhof

Our chimney room

Our restaurant

Junior Suite

We are a familiar led private four star hotel.

Our house with its 46 guest rooms, in an english cottage with a lovely and big garden, offers you a familiar atmosphere.

Our breakfast is served directly at your table and therefor is very legendary. No buffet - no getting up from your place and no "forgotten" butter for your hard won roll at the buffet... and inspite of that you get everything you can think and dream of. Just have breakfast and strengthen yourself for the day. Here you are attended...

The room rate is not immediately the end rate at the next day. A lot of our services are freebie: a parking space in our basement garage and highspeed internet are inclusive... Sum up for yourself... We don't talk about price-performance ratio... We have got it...

We are looking forward to your visit
